ROLLER COASTER CAREER OF GOALKEEPER FRANKEN

SUPER SOCCER'S ANTHONY RAINERI TALKS TO TONY FRANKEN

PERHAPS in any other era, Tony Franken would by now have long cemented his place as Australia's number one goalkeeper.

But these are the 1990's and Australia is fast earning a reputation as a conveyor belt of goalkeeping talent.

"The standard of goalkeepers has increased dramatically in the past few years," Franken says.

"Five years ago there were maybe 4 or 5 goalkeepers in Australia who were considered the cream of the cream."

"Now you need at least two hands to count them. There's probably 10 quality keepers."

"And every year there is a new breed coming through."

To further emphasise Franken's point, about half a dozen Australian goalkeepers are currently playing overseas who can also be labelled as "outstanding talent".

They include Mark Bosnich (Aston Villa), John Filan (Cambridge United), Jason Kearton (Everton) and Frank Talia (Blackburn Rovers).

Franken's predicament is illustrated by looking at his Socceroo statistics.

He first wore the green and gold in 1984 against Glasgow Rangers aged 19 and last represented Australia earlier this year against the Solomon Islands in a World Cup qualifier in Newcastle.

All up, Franken has played 25 "A" and "B" internationals for Australia in almost a decade. That's about two-and-a-half matches a year.

As you can see, Franken has been continuously in and out of the Australian team.

He attributes that not only to the abundance of good Australian goalkeepers but also to coaches personal preferences for certain players.

"I think I have sometimes been dropped without good reason over the years," he says. "It's not a matter of form."

"It's just that the coach prefers another goalkeeper at the time."

Franken was born and raised in Perth.

As a child he listened in awe to his father Frank who retold stories of the days when he represented Western Australia, also as a goalkeeper.

In fact, Franken senior made an appearance for the Socceroos in 1986 against Scottish team Hearts.

Franken's first major breakthrough came in 1982 when he was offered a scholarship at the Australian Institute of Sport (AIS) in Canberra, aged 16.

His was the second group to graduate and included names such as Frank Farina, Rod Brown, Andrew Bernal, Ray Junna and Andrew Young.

In 1984 aged 18 Franken joined the now defunct National Soccer League (NSL) club Canberra Arrows.

He soon made his first grade debut against Wollongong City, winning 2-0.

Three years later 1987 Franken joined Sydney Croatia and in 1991 transferred to Apia Leichhardt.

Unfortunately, at the end of Franken's first season at Lambert Park, Apia was kicked out of the NSL so he went back to Edensor Park where he has been ever since.

Franken is spending the Coca Cola Soccer League off-season on loan with NSW Super League club Sutherland Shire.

This is convenient for Franken as he lives in Cronulla with wife Megan and works as a maths and physical education teacher at St Patrick's College Sutherland.

Franken has twice trialled with overseas clubs.

Before his stint at the AIS, Franken visited English club Wolves, was offered an apprenticeship but knocked it back to continue his studies in Australia.

In 1990, Franken trialled with Belgian club Mechlen and again was offered a contract.

But because the club had filled its quota of foreign players, Franken was unable to secure a work permit.

Franken has not given up on playing overseas.

He has contact in Malaysia who almost sewed up a deal with a club last year.

Club honours have eluded Franken except for a runners-up trophy with Sydney Croatia in 1988 and an NSL under 21 player of the year medal in 1984.

The year before, Franken represented the Young Socceroos in the World Youth Championships in Mexico.

Franken vividly remembers making his debut against the host nation in front of 110,000 screaming fans.

Australia drew 1-1 and went on to defeat Scotland 2-1 but lost to South Korea 2-1.

Franken believes this will be the last World Cup campaign he will be in contention for.

"There are a lot of good young keepers aged 21 and 22 who will be even better in a few years time" Franken says. "It all depends on whether the coach goes for experience or youth."

So does he have any regrets so far?

"Maybe I would have liked to play a few more times for Australia and cemented my position. But I'm fortunate to have achieved what I have."

Indeed, fortunate to be towards the end and not the start of a representative career in these times of so many good goalkeepers.

BLACKTOWN CITY TAKE OUT MINOR PREMIERSHIP

DOLPHINS HELP ROSEBUDS INTO SEMI - FINAL SERIES

SUPER LEAGUE with Ian Marriott

Warringah Dolphins played a leading role in deciding the final makeup of the 1993 Super League final five when they destroyed any lingering hopes that Leichhardt Tigers may have had of overtaking Adamstown Rosebuds.

The Dolphins raced to a 2-0 lead after just 35 minutes and never looked back. Adamstown who lost to a rejuvenated Bonnyrigg outfit were able to breathe a sigh of relief following the match after hearing the new of the Tigers loss which leaves them six points clear of sixth position and only requiring a solitary point from their remaining two games to ensure fifth spot.

Warringah opened the scoring at Cromer Park through Wayne Pierce, his tenth of the season, in the 20th minute before Matthew Lowe added a second 15 minutes later.

The Dolphins now find themselves on 38 points and in their present frame of mind could well end up in sixth position by the seasons end, their last loss was recorded on June 27 against Canterbury Marrickville.

A better start to the year would have seen them among the finalists and no doubt a number of the top sides are pleased to know they won't be there in 93.

Bonnyrigg continued the show of commitment displayed the previous week against Blacktown City as they sent the Rosebuds crashing to a 2-0 defeat at the Serbian Centre. Nemaja Obradovic scoring twice, his first coming just prior to the half time whistle and putting the game beyond doubt in the 70th minute with Adamstown struggling to find a reply.

Bankstown City managed to keep themselves inside the top three on Friday evening when they clashed with Blacktown City in a rescheduled match at the Gabbie Stadium winning 1-0 via the boot of Scott Baillie.

The Demons could afford to lose this one however for Bankstown a loss would have seen them likely to finish outside the top three.

Bankstown backed up well on Sunday, Saso Boskovski ensuring a further three points scoring in the 59th minute to defeat a hard working CYC Stanmore while Blacktown City managed to come form behind against Canterbury on Sunday after Gerry Gomez had headed home

a Spiro Hantzis cross to put the Marrickville side ahead.

The Demons came back well in the second period and after consistent pressure on the Canterbury goal. Lawrie McKinna managed a well directed header which sailed into the back of the net earning his team two points leaving them just two short of confirming the minor premiership.

Canberra Deakin striker Tony Lemezina has almost certainly assured himself of being the leagues top scorer for 1993 after adding two more to his tally against Eastern Suburbs which takes him to 17 for the season, a lead of five over second placed Norman Tome from Bonnyrigg Eagles.

Canberra took the lead in the 13th minute through Andy Ravenello with Lemezina making it 2-0 at the break after 21 minutes and Ante Milicic taking it to three shortly after half time. Easts hit back in the 60th minute through Bob McLung before Lemezina re-established the three goal margin in the final minutes.

The St George revival continued as they defeated Rockdale Illinden thanks to a Tony Perenich goal in the 13th minute at St George Stadium and Sutherland recorded only their seconded victory of the year, a big 3-0 over Wollongong United at Seymour Shaw.

The win leaves Sutherland with an outside chance of moving away from the wooden spoon position as they sit just three behind Eastern Suburbs.

IT'S NOT WHO'S IN THE FIVE IT'S WHERE THEY'RE PLACED

Following 24 weeks of intense football the final five teams have now been determined albeit with two games remaining.

Blacktown City are certainties to take out the minor premiership and should do so this weekend when they host CYC Stanmore at the Gabbie Stadium where a large crowd should be on hand to enjoy the confirmation of this status.

Adamstown Rosebuds, despite losing to Bonnyrigg last weekend are also assured of a finals berth finishing fifth although they may well have to wait until the final round to mathematically confirm that as they play a confident Canterbury Marrickville this week who are dead set on reaching the top three and now find themselves one point off the pace, not to mention a horrific goal difference courtesy of a poor start to the season.

Canterbury should win this game although Adamstown will be much tougher on their home turf.

Marrickville's chances of breaking into the top three where they would receive two bites at the cherry come finals time will hinge very much on either Bankstown or Canberra dropping two points and as neither has a meeting with another top five side this outcome is highly unlikely suggesting that the semi final knock out clash will be between Canterbury and Adamstown hence making this match a dress rehearsal for the real thing.

At this stage it would appear that the other semi final meeting will be between Bankstown and Canberra.

This week Bankstown meets St George at Jensen Park and they should be able to retain their top three status going into the final round although Saints have been a much improved team over recent weeks.

Canberra Deakin have a slightly tougher job on their hands when they clash with the rejuvenated Warringah Dolphins at Deakin Oval.

On paper Canberra should have no problems but the Dolphins did well in accounting for Leichhardt last weekend and Deakin will need to concentrate or pay the price.

Any slip ups and Canterbury Marrickville are likely to pounce quickly and Canberra will be well aware of the dangers of playing knock out football every week, much preferring to have the second chance up their sleeves.

At this stage they can afford to lose just one point and still remain ahead of Canterbury.

The battle for second and third is purely academic as the two will meet each other irrespective.

If Warringah can contain Tony Lemezina, the Super Leagues leading scorer then they may well come away from Canberra having forced a 0-0 draw and this would certainly add a huge amount of interest to the final weeks activities assuming Canterbury were to bead Adamstown.

In other matches Leichhardt Tigers host Sutherland Shire who require a victory to lift them off the bottom rung while Eastern Suburbs travel to Seymour Shaw where they play Rockdale Ilinden knowing that once again the pressure is on to avoid the wooden spoon.

Bonnyrigg White Eagles are once again at home, this time to Wollongong United and they should be able to provide their loyal fans with plenty of goal mouth action in this match.

SEMI FINAL TIME

IT'S ALMOST

Paul GOODWIN

NSW SOCCER FEDERATION FIRST DIVISION

It's nearly all over bar the shouting, it seems.

Mount Druitt went through the formality of beating Hakoah 4-1 at the Sydney Athletic Field and second placed Belmore went down sadly at home to Auburn United by the same score, leaving the leaders with the need of only one more win to wrap it up. Even then Auburn needed to beat Macarthur midweek, which was no certainty in itself, to require Mount Druitt to do even that.

Mount Druitt were without the suspended player-coach Wayne Farnsworth for the Hakoah game and took a while to get to the front. They were somewhat sluggish, but were surprised to see Hakoah's ace marksman John Foxman occupying the right back position in the first half.

Hakoah rarely threatened and only when Foxman moved to the front in the second half did they manage to get into the box, where they earned a disputed penalty.

Mount Druitt opened their account when David Close made a typical overlapping run down the right touchline and crossed nicely for Darren Pratt to tap in at close range in the 37th minute.

From a good, team build-up Pratt made it 2-0 in the 63rd and it was a much more purposeful visiting side which went about their business after the break, thanks to a firm word from Farnsworth.

Don Campbell showed all his experience down the years to score a classic in the 76th minute.

Scott McArdle sent over a free kick from wide on the left and Campbell used a delicate flick over the 'keeper, who was only marginally off his line, to get a ball into the net with perfect timing.

Half time substitute John Ghisso wound up some good lead up work with the fourth goal in the 88th.

Campbell thought he had secured another when his cross appeared to be deflected into the net off a defender, but shot out through a hole in the side of the net according to the Mount Druitt players who were incensed when a goal-kick was ordered instead of the expected kick-off, following a goal.

Hakoah got a consolation in the 80th courtesy of Foxman after a player had been brought down on the edge of the area.

Meanwhile Auburn showed that they will be the only side to issue a challenge when they brushed aside Belmore at Blick Oval.

It was a game of mutual respect in the first half, with each side showing the intention of containing the other.

Ozcan Celik, currently holding a handy lead in the scorers stakes, threatened a number of times in the first half, but Belmore really had no one to offer a similar ability in the goalmouth and it made all the difference.

Celik was free in the box in the 22nd and only a timely challenge by Mario Saisanas prevented a shot from point blank range which would have opened the scoring.

Celik was then denied by a save at the foot of the post by Angelo Rodic after Craig Jones had worked the ball into him inside the area.

Alex Araujo was the other to figure with his shot going wide and Belmore's only read chance was when Con Anagnostopoulos got away and was beaten to a loose ball right in front by a defender.

In the second half the pattern continued. Celik was just wide of the post after Kim put him through with a long distance pass.

The Perry Giannopoulos made a covering run to rescue Belmore and rob Celik who had made a swift break in the 51st minute.

Rodic used his feet to stop Sasha Spiroski scoring when Darren Read gained possession and worked his way onto the area before laying on the pass, moments later.

Read's speed and the positional sense of Celik created havoc for Belmore and it was no surprise when the visitors took the lead.

Anagnostopoulos had another chance to get Belmore off the mark first, however, having his long shot saved well by Silkecki in the 57th.

Then after Jim Ziras had bright down Spiroski wide on the left, Auburn earned a free kick.

Bruno Ciaramella floated the ball over to the far post where Celik jumped best and headed into the top left corner with some conviction and there was Auburn's lead, at last, in the 59th.

Darren Read found himself totally unmarked on the left five minutes later and the flag stayed down Read simply ran towards goal and laid the ball off for Celik to drill the ball past Rodic from the right of the area, 12 metres out.

Celik put another wide after a mis-hit goal kick put the ball in his path in the 65th and then Belmore brought on Manny Spanoudakis who immediately scored a goal for his side.

He made a well judged run into the box to drive a cross from the left by Anagnostopoulos past Silkecki in the 72nd.

ALL OVER NOW

When Sasha Spiroski nodded a Darren Read corner kick from the left back across goal there was Celik to volley the ball into the roof of the net in spectacular fashion in the 76th, making it 3-1.

Another followed in the 8th after Read had been brought down as he went past three on his way into the area.

Celik, naturally enough, was called on to add a fourth to the hat-trick he had notched earlier. This was Belmore's fifth home defeat and like several others before them, it was not even close.

Auburn have hit a good patch and are ready now to secure second place and figure prominently in the Finals series, though they appear to have left it too late for the title itself.

There was a keen tussle the previous day at Pluim Park where Macarthur were the visitors to the Central Coast establishment.

Coast looked alright in the first period, Andrew Clark forcing Ray Cerney to clear off the line in the 13th minute.

Clark then created then created the Coast goal in the 18th.

Ignoring Craig Thompson free on his right, after getting a ball from Marc Prospero, who was out wide on the left, Clark provided a diagonal ball to the left of the area where Steve Barany arrived with a well-timed run to steer the ball past David Hayes.

Gary Newson should have given Macarthur the equaliser in the 23rd when he made a good run down the right and went around Jason Holmes only to find the side netting with the goal at his mercy.

The Rams did draw level in the 40th. A free kick was floated over from the right by Ian Wotherspoon and after Ray Carney's bullet-like header had been pushed out by Holmes, brilliantly it must be said, Mark Moffett hit the roof of the net from the rebound.

The second half was a disappointingly scrappy affair with a succession of free kicks and corners, but very little constructive play.

The Rams should really have won the game after introducing Conroy Filies in the 75th minute. Filies defied the offside ploy in the 77th only to shoot wide and then in the 78th waltzed through the Coast defence to confront Holmes who remained on his line.

Holmes somehow stuck out a foot to make an unlikely save and the Rams best second half chances had gone begging.

At the other end Marc Prospero's cross was another to be wasted in the 84th as the game petered out to a 1-1 draw which left both sides with a chance of making the play-offs.

Macarthur needed a win in the deferred midweek match with Auburn to get past Coast and Coast knew they had to stay in front just in case, so it was safety first for both teams.

Mount Pritchard continued their recent consistent form to beat Dulwich Hill 3-0 at Cook Park and move into third spot.

They took a while to warm up, but eventually got a goal in the last minute of the first half.

Another Mounties set-play yielded a goal for Chris Ackerley whose courageous diving header between two defenders after making a run into the area paid off. Matthew Bourke swung the ball over from a free kick and Ackerley got there to knock it in, six metres out.

Ackerley was involved in the second in the 55th. His long throw was nodded on at the near post by Angelo Raguz for Lawrence Hall to slam the ball past Gardikiotis from right in front.

Ackerley got the third in the 89th. He finished well when Martin Bourke sent the ball through to wind up with his second, but had also hit the bar earlier as had Martin Bourke.

For once Stan Suman was out of touch in front of goal and missed a couple of sitters.

The Mounties were without Brad Gambrill and Graham Watton on this occasion so are showing the benefits of having good depth now.

Gladesville had to wait until the 85th minute to sneak away from Garside with a 1-0 win over Granville CSC.

They had been in scoring positions often enough, but it took a free kick cleverly played by Sepp Disch to settle the issue.

Craig Bass stood over the ball as the defensive wall went up.

The Granville 'keeper appeared to be standing directly behind his defenders, leaving a gap in the corner and that is precisely where Disch lifted the ball as he curled it around the wall for the winner.

Troy Ellis should have scored on several earlier occasions, making a mess of two chances with only the 'keeper to beat.

It was only the fifth win for Gladesville, but for Granville it was their 16th defeat.

They will hope to break their duck in one of their last three matches.

West Wanderers thought they might score a few goals against Liverpool at The Gabbie when they went ahead in the 5th minute.

John Camburn latched onto the ball following a Robbie Cook corner on the left after Billy Mannix had nodded the ball on to the far post. Camburn finished it off with a solid shot into the roof of the net.

Peter Kastelan in the West goal had a game he would rather forget, being substituted after an error saw Liverpool draw level in the 47th. Kastelan has been playing well recently but allowed Ante Sunjic cross to fall out of his grasp and over the line and was not his usual confident self on this occasion.

West were out of luck again at The Gabbie as the woodwork got in the way of shots for Warren Hayward and Robbie Cook, while a rocket from Camburn was headed off the line by Billy Green as well.

LEADING SCORERS

21 - Ozcan Celik (Auburn)
13 - Wayne Farnsworth (Mount Druitt), Stan Suman (Mount Pritchard)
12 - Mark Moffett (Macarthur)
10 - Scott McArdle (Mount Druitt), Craig Smith (Mount Druitt)
9 - Vladan Radic (Mount Pritchard), Paul Roberts (Central Coast), Cesar Mora (Dulwich Hill)
8 - Ian Wotherspoon (Macarthur), Robbie Cook (West Wanderers)

Waratah Cup

A LOOK BACK AT THIS

GIANT-KILLING is the name of the game in competitions such as the Waratah State Cup.

With the Final being staged next Wednesday it is worth recording the outstanding achievements of all those clubs which took part this year.

The eventual winners get the major end of the prize money, usually after competing in five matches, but there are others who actually win more games along the way before being eliminated.

The glory cannot be denied them and before discussing the Final we should look at these teams and what they did en route to the Cup showdown.

It all began on a mild Thursday March 25th evening at Valentine Park, and a Tuesday crowded with fixtures five days later.

Amateurs Kissing Point from the Ku-ring-gai Association had a great run, ending only when they came up against Super League side Leichhardt Tigers on a rain-soaked Seymour Shaw Park.

They were able to beat some good sides on their travels, not having the benefit of a home ground and supporters to egg them on.

They had wins at Valentine Park in the first couple of rounds defeating first Campbelltown P.B.Y.C. 5-0 and later A.C. United from Division 3, 5-3.

They then made the long trek out to Summerhayes Park at Winmalee to knock out Orange Waratahs in a 2-1 cliffhanger.

They next ventured to Christie Park where they defeated Condell Park 3-0 to earn their meeting with the Tigers.

They were not disgraced in losing 3-0 to the Super League giants and will be an inspiration to amateur sides entering the competition in future years.

Blacktown City and Canterbury Marrickville last weekend, could they meet again in the Waratah Cup Final

The best representatives from Division 6 were Willoughby City who survived until the Third Round. Willoughby beat United Eagles 1-0 initially, saw off Arncliffe from Division 3 next, winning 4-2, and bowed out to another 3rd Division team Orange Waratah at Summerhayes Park by the only goal of the game.

Two 5th Division sides did well to keep going until Round Four. Of these clubs Gladesville United were victorious over Lithgow Workmen 4-3 and Homenetmen 2-1, and received a forfeit from Engadine Eagles before eventually losing to amateurs Condell Park 2-1.

The other, Phoenix AFC won 5-0 against Guildford County from outside the Federation and 4-3 over 3rd Division University of NSW. They then beat Transandinos 1-0, but succumbed to top notch 2nd Division side Bankstown 2-1 in the 4th stage game.

Springwood were the best performed of the Division 4 clubs. They began with a 2-1 win over Prariewood from the same circles then were too good for amateurs Panania RSL 1-0.

A win on penalties after a 3-3 thriller against Concord Juniors was their next success story.

It was only when they came up against a youthful Gladesville Hornsby that they met their match, the 9-1 loss showing how tough it can be once you begin to concede a few goals.

They have been anchored at the foot of the Division 4 ladder all year, but have won three matches and derived much confidence from their Waratah Cup run.

There was only one of the Illawarra Premier League sides engaged this year.

Western Suburbs Figtree made it past the first game against Tuggeranong United with a 2-1 win, but found 2nd Division North Ryde too strong and lost at Judy Masters Oval 4-0 in the 6th Round.

The feat of tearway 3rd Division leaders St Johns Park must not be overlooked.

The former Hadjuk Rangers based at the Edensor Park ground have had a great year. In the cup they were quick to show their goalscoring strengths, winning 6-3 over Alexandria from the same division in the 2nd Round match in April.

They followed this with a 2-1 win over Crescent United in May and by June had accounted for 2nd Division Bathurst '75, 3-1 at Summerhayes Park.

A win over Hakoah on forfeit aided their path to the 6th Round where they found Auburn United from 1st Division a little too strong at Ernie Smith Reserve going down 3-0.

North Ryde have looked a class act in the 2nd Division this sea-

YEARS SUCCESS STORIES

son and after nipping at the heels of Southern Minotaur for many months have finally got the break and opened up a gap on them.

They have big plans for the future and the Waratah Cup campaign will have done them no harm at all in impressing the authorities of their credentials.

They started out on the road with 3-0 win over another from the same division, Hills United in May.

The next step was at Cook Park where they dismissed West Wanderers, comfortably, 2 -0.

A 4-0 victory in Balgownie over Wests Figtree came in July and led to a close encounter with Super League Bankstown City in the 7th Round. The 2-1 loss was only suffered late in the game, which they had led at one stage.

Northern NSW produced Highfields Azzurri one of the most consummate performers to come from the Newcastle area in recent years.

They were a match for most and came within a whisker of beating performers Marrickville in the Quarter Finals.

They had already beaten fellow Novocastrians Lake Macquarie 3-1 at the Macquarie Field and seen off first Rockdale Ilinden 2-1 at Adamstown Oval and then Bonnyrigg White Eagles by the same score on the same ground.

With two Super Leagues scalps under their belt they came to the St George Stadium looking for a semi-finals berth.

Coach Jim Foley had them primed and they were leading 2-1 with 5 minutes to go before Canterbury put paid to them

WARATAH CUP SEMI FINALS

with three goals in those remaining minutes after looking beaten.

They and others from Northern NSW will certainly be worth a look again in the next series of Waratah Cup matches in 1994.

And so we come to the Semi Finals played last night at St George Stadium.

Whatever the outcome Mount Pritchard have done the 1st Division proud.

They had beaten two Super League sides in their two most recent matches.

Wins 1-0 at Deakin Oval over Canberra Deakin and 1-0 over Sutherland at Ernie Smith Reserve which followed a 1-0 win over Dulwich Hill and a 3-1 success against Granville Green Island taxed their resources, but they stuck to their guns.

We now await next Wednesday's Final with great anticipation.

By the time this is published we should know the Finalists and the venue.

If Blacktown are to play the Mounties a Gabbie Stadium game is likely, whereas if Canterbury gets through and plays Warringah Dolphins it will probably go ahead at St George Stadium.

Either venue will provide the right sense of occasion for this prestige event.

Watch out for news of exciting changes to the competition for next season which will prove popular with the players and fans alike.

Löwenbräu Keller THE ROCKS, SYDNEY
LUCKY SPECTATOR LUNCH FOR TWO

This week's lucky spectator was spotted by our photographer, Ron Hughes, at Arlington Oval last Sunday. All the lucky lady has to do is phone the N.S.W. Soccer Federation on 629 1800 and identify herself by describing what she was wearing at the match. The winner will receive 2 tickets to the 1993 Super League Grand Final Luncheon at the Lowenbrau Kellar, The Rocks, Sydney.

WARRINGAH Dolphins

PROUDLY SPONSORED BY MANCHESTER UNITY

with "The Dolphin"

All too late ... was the message to come out of last week's emphatic 2-0 win over the Leichhardt Tigers at Cromer Park.
It was the sort of football we have been threatening to play all year, and although it still won't help make the Super League finals, it was a perfect time to hit our straps on the eve of the Waratah Cup semi-final against Blacktown the other night (Wednesday, August 11). Unfortunately second and third grade did not enjoy the same success, going down 3-0 and 5-0 respectively.

* This week I just have to mention three blokes in our first grade side who were reduced to acting like three big girls when the going got wet last Thursday night at training. It was a soccer player's dream when the no.2 pitch was soaked by heavy rain. We were doing a diving header exercise and Gigsy, Panetta and Roscoe just refused to get dirty. Everyone else was totally covered in mud. Unfortunately, Gigsy and Panet escaped, but Roscoe was dumped in the biggest puddle on the field by half the team at the end of the session.

* Matt "Baby Face" Lowe scored a memorable goal last week. Although he has scored one other this year, a header from three yards with on one in his way, last week's was a pearla. A swinging drive from the edge of the area. When he returned to the centre circle for the re-start the reserves bench yelled out, "How does it feel Lowey?" ... His reply: "Awe, it feels alright." (with a grin from ear to ear.) Well done Baby Face.

* How is it that no one else has spilled blood this year except Pierco. And both times it has been his nose. Countless times he has been on youth development visits with me this year teaching youngsters how to head a ball, and here's a state player who refuses to use his forehead. One more time for the dummies: "Use your head mate, not your nose." but it does look tough walking off the field with blood everywhere, but I think your in the wrong sport Back Door Benny.

* The Lady Dolphins held another successful promotion at last week's match .... this time it was a cake stall. Question is did you lades sell the cakes or just eat them before anybody had a chance to purchase? Well done on another outstanding effort to raise money for the club.

* What a crowd at Cromer Park last week. We had close to 500 people and for the first time ever we also had a journo and photographer from both peninsula papers .... The MANLY DAILY and the Weekender. I'm not showing any bias am I? On the reserve bench for first grade, there was more interest shown in a particular female photographer than there was in the game, wasn't there Gigsy and Frankie Chiarella (oops).

* There was no love lost between Mark Butler and his uncle Terry Butler last week. Terry was on the Tigers bench watching Mark help the Dolphins destroy his side's semi-final hopes. But they both had a beer in the club after the game.

* National anthem .... Does anyone know the words or where the tape went last week??? Please write the answer down and hand them into the Manly Warringah Soccer Club.

* One club supporter is a genuine freak. Rocky Carlino is never one to miss an opportunity to get on someone's goodside and it was never more evident than after last week's game. Rocky walked up to 1994 coach John Kosmina with a plate full of food (pizza, lasagne, salad etc.) and just put it in front of him and looked at him. Kossie had no idea what was going on and just looked back at him saying, "I'm not hungry thanks mate". So Rocky just left the plate of food there and walked off. Don't worry Rock, it was the thought that counted. You still might get a contract next year.

* Well the end of the season is near and the next week's Super Soccer will be the last for the season involving this club. Thank you to everyone who has read this column and had a go at me for its content. There have been some great nicknames going round this year, haven't there Ralph Cuneo, Baby Face Lowe, Planet Panetta, Schnapper Head Pierce, Ted Moss, Carrots Sterrey, H McCue, and the rest of you.
I have embarrassed plenty of players this year in this column, but I never dish out more than I an handle. Now it's your turn. Next week's column in this magazine will be compiled by Wayne Pierce and anyone with anything you would like published should hand it to him on paper by Saturday night (after the game in Canberra). It give you little time to prepare the dirt, but hey, life's a bitch isn't it?. If you don't get it to Wayne, you could call Frank Dowling on 522 7800 before 5pm Monday (August 16).

with Bob Brooks

The convenient closeness of Seven Hills Railway Station has its distinct advantages. A short, five minute walk to the Perfection Dairies Gabbie Stadium. In fact the ground must be the best served of any in the Super League.

Jun Miyamoto, one of the promising 17 year olds finds that it is great to get to training by train. Jun travels from Willoughby on the North Shore Line. The trains usually carry on to the Western Line. By careful planning he can catch an express both to and from training. On of his travelling companions is often Mat Heighway. Mat is attending catering college in the City. However he changes trains at Strathfield for his journey home to the Central Coast, arriving about 10.30. These two, and players like them, show true dogged determination in their pursuit of a position at the highest level possible in NSW Soccer.

The Perfection Dairies Gabbie Stadium's playing surface is looking the worst for wear despite all John Elliot's fine efforts.

It is planned to laser 'level' the surface which will require over 70 tonnes of quality top soil. The dip that has appeared down the middle of the pitch will disappear. A crown will be put back on the ground to aid drainage.

Apparently players have carried off over 50 tonnes of soil on their boots in the last four years.

Keep tuned in to 2CCR 90.5 FM on Saturday mornings for the 'Soccer Segment' of 'Just Sport'. Between 10.10 and 10.45 you can keep up-to-date with all Demons happenings, results of other local Federation teams such as West Wanderers, Hills United, Prospect United, Greystanes, and Parramatta Ladies. Other national, Socceroo, World Cup and events world-wide are covered.

Interesting guests appear from time to time. The last one was young up and coming Whistler Simon Micallef.

To find the station tune to Radio National 576 on the AM band and then switch straight over to FM.

Where did the goal come from at Arlington Oval on Sunday - the head of Lawrie McKinna. Who applied the ball from a set piece, in this case a corner, non other than that superb midfielder, and sometime barman, Patrick Bradley.

Maybe there is something to be said for sound, early, full-time, professional training. Bradley had four years with Bury in England and McKinna six years with Kilmarnock in Scotland.

In Australia the equivalent would probably be the AIS.

Our one and only World Cup Finals qualifiers, in Germany during the 1974 World Cup

SOCCEROO D-DAY

THE LEGENDS SPEAK OUT

The Socceroos face a must win situation in the return leg of the World Cup qualifying rounds against Canada this Sunday.

Only a selected few have tasted the atmosphere of the World Cup Finals.

ROBERT WHEATLEY ***tracked down several of the legends of Australian Soccer who spoke out freely on this fixture, the tactics and most interestingly on the issue of overseas based players.***

On the soccer arena RAY RICHARDS epitomised the Australian spirit. His strength and commitment were never questioned. He wore the green and gold with the knowledge that a unified squad is capable of achieving greatness.

And as a realist he acknowledges that the way he played 20 years ago is not as relevant to football success in the 90's as it was in the early 1970's.

"We didn't have the individuals like a Zelic or an Okon or a Robbie Slater," Richards stressed.

"But the tactics adopted in Edmonton were diabolical. They were naive and the team would have been a lot stronger if a home based squad was nurtured. This would have given them the unity to go to Canada and force a result," he added.

Richards continues to pull no punches on the issue of unavailability of overseas based players.

"The door should be closed forever. A player is aware of what he is taking on in the first place and he should honour that commitment," said Richards.

With Marconi-Fairfield's Mark Schwarzer likely to continue in goals Richards believes there will not be a lot of pressure on Schwarzer due to the tactics of the Canadians.

"I'm 100% sure that Bunbury will be the lone striker and the visitors will rely on counter attacks to secure safe passage," Richards con-

cluded.

A more detailed tactical approach was forthcoming from 1974 World Cup fullback DOUG UTJESENOVIC who represented his country on 62 occasions.

"The Australians must place more pressure on the Canadian defence in the first 15 to 20 minutes. This will be a crucial period for the final result," he said.

For the defenders point of view the quality of service from the back five was poor according to Utjesenovic.

"Zelic was hanging onto possession for too long and in my opinion we would be better served with Ivanovic. There were very few times that we created two versus one on the wings and get a dangerous cross into the box."

In summary Utjesenovic believed we must take the game to the Canadians and select players that will be direct and simple in this approach.

The most revealing insight provided by Doug Utjesenovic came from his comments regarding factors to football ability.

He claimed that the '74 team from West Germany would be capable of the Canadian '93 outfit quite convincingly. Why?

"Successful teams are prepared to give everything. When Rasic asked Max Tolson to put the goalkeeper in the net it was done. Players were highly motivated and that is what allows me to make that statement."

For the man who guided Australia to those historic World Cup Finals and whom Ray Richards describes as "leaving other coaches for dead" in his era in charge of the National Team the result is everything.

In Rale Rasic's mind it is not a matter of can a result be achieved.

"It is quite simply a situation where we must progress," Rasic highlighted.

"We have too much class for Canada and the difference in ability between the two teams is noticeable."

While Rasic agrees that Australia cannot concede a goal he believes if Canada chooses exclusively to defend it will be suicide.

Doug Utjesenovic in action during the 1974 World Cup Finals.

For Rasic the lineup or reshuffle of players is irrelevant. However, the desire of players is paramount.

"The game against Canada is not a match of football ability but a psychological preparation and the ability to overcome mental tension so much a part of World Cup Football."

Rasic's highlights of the importance of interrelationships and communication between players mirrors the thoughts of both Richards and Utjesenovic - two of his finest products.

The goalkeeping dilemma is one Rasic describes as disastrous. The refusal of Bosnich to make himself available and the send off of Zabica killed two great goalkeepers according to Rasic.

"If Zabica was at his mental peak he would not have committed that foul," Rasic declared.

Bosnich proved you cannot rely on foreign players and now we have to look carefully at the whole question of overseas based players.

"Although the tactics are to go all out for a win, one goal against will mean an exit from the World Cup," Rasic emphasised.

Such is the knife edge on which this game rests.

And when the likes of Rasic, Utjesenovic, and Richards exchange past match opinions on the game late on Sunday night all three will hopefully have witnessed a Socceroo performance worthy of the event.

SUTHERLAND SHIRE Sharks

Congratulations Tony Franken.
Congratulations go to our keeper Tony Franken on his elevation to the Socceroo squad for the all-important second leg clash with Canada. It couldn't be more deserved or happen to a nicer bloke.

Well, it happened at last THREE wins on the day with all teams convincing winners. A good all round effort with a special mention to the keepers Greg Gregoriou who stepped up to first grade and Ian Veleski who put on the gloves for the Under 21's on a day in which we held the opposition scoreless in all grades. The Under 18's continue to impress with another win and the Under 21's 5-0 drubbing of Wollongong United was well deserved result. Two great headed goals from Scott Gould set up the 3-0 result for first grade and the youngster was probably a little unlucky in to getting his hat-trick. And way about Tony Cabassi's scorcher of a goal? It must surely be the Super League goal of the season. It was the sort you would expect to see from A C Milan or some South American team.

A very pleasing aspect is the quality of the Under 17 Youth League players who have recently been signed. Next season will undoubtable see the Sharks third grade side back where they deserve to be on the table. This is undoubtable true of the club as a whole which has well and truly put the traumas of reconstruction behind it. The current season was always going to be a difficult one but it is probably true to say that the Sharks in some ways are leaders again in that the steps taken to put the club on a strong footing are steps that many other clubs will be forced to make in the near future. The gratitude of all true soccer followers in the Shire must go to those who worked tireless in putting into place the structures needed to ensure that Sutherland not only continues in the top level of football but remains a real contender for top honours. A finally, an official congratulations to all connected with the Sutherland Youth League for winning the divisional championship and having three of the four teams qualify for the finals. A tremendous result.

GOLD MEDAL FEVER !

by Kelly Cross NSW Assistant Director of Coaching

There has been a terrific response to our offer of Soccer Scholarships here at the N.S.W. Soccer Federation (see advertisement this page).
Application forms are still available but the close-off date is coming soon. If you were born on or after 1st January, 1977, and wish to trail for an Intensive Training Programme designed to prepare our state's players for national representation, please phone Tricia on 629 1800 between 9.00 am and 3.00 pm.
The main aim of the programme is to prepare players for selection in the 1997 World Youth Cup Squad and the 2000 Olympic Squad. We also hope that a number of players will move on to the Australian Institute of Sport residential programme in Canberra to complete their preparation.
When Trials are completed and selections finalised (by October this year) the squad will commence regular training immediately. Valentine Sports Park, Parklea, provides excellent training and camp facilities as well as a quality playing field for home games when the squad competes in the 1994 N.S.W. Super League Under 18 Division.
The squad is jointly funded by the N.S.W. Academy of Sport and therefore has access to first-class sports science facilities, including state-of-the-art fitness profiling.
Being selected in the squad will give a young player the best possible all-round preparation and soccer education, with only one aim in mind - to get as many New South Wales players as possible to represent Australia.

GIRLS TRIALS UNDER WAY

In an exciting new development for Women's Soccer, the N.S.W. Soccer Federation will be entering First and Second Grade Academy teams in next year's Women's State League.

The Academy programme is designed for the 1994 Under 19 age group. Trials are already under way on Wednesday evenings, 7.15 pm, at Valentine Sports Park, Parklea, and if you wish to trial, please phone Tricia on 629 1800 between 9.00 am and 3.00 pm.
The squad, when selected, will commence training regularly as part of a forty week Academy programme, and will also come into training camps at Parklea. All aspects of the girls development will be catered for, including thorough fitness testing and physiological profiling.
With Womens Soccer now on the map, we want to get as many New South Wales girls as we can into Olympic or World Cup Squads. Who knows, World Cup 1999, Olympics 2000 ....!

SOCCER SCHOLARSHIPS

The N.S.W. Soccer Federation, in conjuction with the N.S.W. Academy of Sport, conducts a Intensive Training Programme to prepare our state's players for representative selection and for selection into the Australian Institute of Sport Soccer Programme.
The next intake, which will be in October of this year, will concentrate on those players eligible for the World Youth Championships in 1997 and the Olympics in 2000 (i.e. born on or after 1st January, 1977).
Scholarships are for up to two years and include:-
- 40 weeks' coaching per year
- Free training gear
- Subsidised training camps
- Physiological testing and fitness profiling
- Invitation to Talented Athlete Camp at the N.S.W. Academy of Sport, Narrabeen
- Video analysis - Home Training Programme
- Opportunity of scholarships to United Kingdom Clubs

The squad competes in the Under 18 division of the N.S.W. Super League, therefore any player who has signed to play for a club for next season should not apply.
APPLICATION FORMS ARE AVAILABLE FROM THE N.S.W. SOCCER FEDERATION.
If you were born on or after 1st January 1977, ring Tricia on (02) 629 1800.

Rockdale ILINDEN

with Mendo Cklamovski

Rockdale Ilinden were defeated in a close match against St George going down 1-0. The only goal of the match came unexpectedly in the 16th minute. Rockdale had their chances but their finishing and the woodwork kept them scoreless. Their best opportunity in the first half came from Ken Slaveski free kick after 40 minute. The curling shot unfortunately struck the right hand upright. The second half didn't bring any joy for Rockdale with the closest thing to a goal coming in the 75th minute. Robbie Sellar latched on to a deep cross only to see his header crash onto the crossbar. Coach Bill Pilovski brought himself on in the second half to inject some much needed direction but in the end his side failed in their quest for the elusive goal which would have at least given them a draw.

Both Rockdale Ilinden's Reserve Grade and Under 18's recorded score draws with identical 1-1 results. The draw keeps the Reserve Grade's slim finals chance alive while the Under 18's confirmed their finals spot.

In the Youth League the Under 14's team wrapped up their finals berth with a 1-0 win. It was a skillful display which now gives them a chance of second spot. Their opponent in the semi-final appears to be Canterbury Marrickville. The boys are sure to give a good account of themselves and progress further.

Dynamic stopper Geoff Biscaya will make a much awaited return from suspension for the game against Eastern Suburbs. A big crowd favourite, "Crunch's" consistent defence and uncanny goalscoring ability will be a boost for the team as they try to finish the season on a high with wins in the last two games of the season. The team should be close to full strength for this encounter which should hopefully result in an improved performance. Coach Bill Pilovski will be looking for greater commitment from all the players and will be looking for a convincing victory.

Eastern SUBURBS

PROUDLY SPONSORED BY RACECOURSE HOTEL, RANDWICK

with Bill Casey

Eastern Suburbs soccer lost a great mate last Sunday week when Jimmy Powell died.
Jimmy, who came over here from Liverpool just 12 years ago, had a heart attack playing the game he loved for Coogee Bay Marine at Coral Sea and didn't recover.
He was a great lad, tremendously popular and we're going to turn over our night this Saturday at the Coogee Bowling Club as a Benefit Night for his wife Christine.
So everyone who can get their, be there for Jimmy. We'll go on with the Talent Night idea, there'll be a Karaoke and plenty of good times in the friendly atmosphere of the Coogee Bowling Club. Let's make it a ripper. Jimmy would want it that way.
We'll find another date for the Club Talent Night. This one's for Jimmy Powell.

We seemed to have more players off the field than on it at the start of the Canberra game.
How's this for watchers ... John Devenay, Terry Palapanis, Eric Ferguson, Frank Leyden, Mick Criticos, Paul Harriott and Steve Milloy. Not to mention player coach, Alex Robertson.
They were all unavailable for selection.
Throw in Michael Smith, who has gone back to Scotland for a holiday, Les Bihari who is trying his luck in Ireland just now, take big Costa Athanassiou off his crook ankle and you've got a pretty handy 11.
We could line them up like this Bihari, Devenay, Robertson, Criticos and Milloy at the back, Harriott, Palapanis, Leyden and Smith in the midfield, with Ferguson and Costa up front. Not a bad mob to be sitting in the stands. By the way Costa, you owe me a beer for getting you a game with that lot. I could have picked Ernie! He's older but his first touch is more consistent. Only joking !!!

It's going to be a great finish at Marks Field on August 22 when we play our final match for the season against Bankstown.
Who knows, Bankstown may just have to beat us to take the League from Blacktown.
We won't be giving them any easy time, believe it.
But whatever, we want it to be a bumper day, so alert your mates it's the place to be that Sunday arvo.
We're going to make it a real gala affair, so get behind the Club and let's make it a big finish to this disappointing season.

SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER SUPER SOCCER

St. GEORGE BSC Saints

Even though the match did not affect the composition of the five a better than average crowd saw our game against our nearest neighbours Rockdale Ilinden. Tony Perenich continued his recent good from and scored in the thirteenth minute. Both sides were unlucky not to score again with a number of chances either hitting the woodwork or going just wide. We kept our shape and concentration to record our fifth win of the season. Well done lads.

Reserve Grade did not fair well in the distribution of points from Adamstown and slipped further away from the top five with a 1-1 draw. In a game similar to the first round we had all the chances but they scored first. It took a long range drive from Chris Bradley to give us the draw late in the game.

The 18's have slipped to third position after their 1-1 draw. We led early when Dez Marton scored from the penalty spot just before half-time. Rockdale Ilinden rallied and scored late in the match. Our position in the top five is now dependent on our results over the next two games.

The Youth League sides played host to Marconi last weekend. 1-1 was a popular result, being the result in the Under 13's Under 14's and Under 17's. The Under 15's going down narrowly 0-1.

The Metropolitan Reps played Southern Districts with the Under 11's drawing 1-1 as the Under 12's drawing 0-0.

We are very proud of our juniors in particularly those that have gone on to represent both N.S.W. and Australia. Andrew McDermott has retained his position in the Joeys and is currently in Japan preparing for the Under 17 World Championships. A late omission in the side was our Under 17's goalkeeper Stefan. Although obviously disappointed he should take some consolation in the fact that he is rated so highly in Australia.

Some four St George boys have been selected to play for N.S.W. in the National Championships. They are:

Grant Barlow (goalkeeper) - Under 13's; J. Talcevski - Under 14's; Nick Purdue - Under 14's; Kire Josevski - Under 15's.

Two other boys have been selected in the train-on squads, they are: Sebastian Senozic - Under 14's; Jacob Burns - Under 15's.

We at the Senior Club wish all the boys the very best.

The Under 12's 14's and 17's are all involved in the final series. Details of their match venues and opposition will be given in next weeks report.

A SOCCER LESSON IN CANADA

Australia's top student players learned a soccer lesson at the recent World University Games in Hamilton, Canada.

The Australian Women's University side, featuring nine NSW players from the Women's State League, battled teams of virtual professionals in a world-class competition which is second only to the Women's World Cup in standard and prestige.

"It was the first international experience for many of us," skipper Kaye Yardin (Marconi-Fairfield) told Super Soccer.

"For a lot of us it may be the best competition we ever played in."

"It's one step down from the World Cup. It gave us an idea of exactly what to aim for and what it takes to be the best in the world."

After just four days together at the Australian Institute of Sport, the jet-lagged Aussies fought out a creditable draw with Ontario before facing the highly fancied US team in the opening round.

The eventual finalists - made up of scholarship "professionals" and several members of the 1991 World Cup-winning US squad - were surprised to find themselves still 0-0 shortly before half-time, but ran out 6-0 winners as the Australian tired.

Australian goalkeeper Sara King - the only overseas-based player in the squad on a scholarship in the US - caught most of what came her way and was named Most Valuable Player after the game by an impressed US coach Anson Dorrance, who also coached the US World cup winning side in China in 1991.

Ironically it was the Chinese who robbed him of the trophy this time when they outclassed the Americans 2-1 in a scintillating final which Kaye Yardin describes as "the best game - men's or women's - I have ever seen".

"It really opened our eyes. There are good players at home who you admire but these teams are something else. We came back with a better vision of what we can aim for here in Australia."

Australia's best performer, according to Yardin, was Sydney Olympic's Lisa Warrener at sweeper, who "tackles like there's no tomorrow" and is now tipped for a place in the NSW Senior Squad to contest the National Championships in Perth in September.

In our results the Australian Universities team showed plenty of improvement by disappointing results: Japan 5-0; Chinese Taipei 3-0; and Canada 7-0.

Their next aim will be the World Cup, recently announced for Sweden in August 1995.

by Jack Cirjanic

It was a very entertaining soccer Game, Bonnyrigg White Eagles versus Adamstown Rosebud last Sunday here at the Serbian Centre. Despite the cold weather still nearly 1,000 people turned up to watch the game. It was good to see the "Eagles" first grade come away with all the points, and they really have put together a good performance to score two magnificent goals, and the scorer was the ex-Red Star Belgrade player Nem Obradovic. 1 goal in the 44th minute and the 2nd goal in the 70th minute. It was also good to see a couple of our youngsters who were selected to play in the first grade in this particular match, Milan Maric and Dragan Mitrovic have really performed very well. Congratulations lads you are heading in the right direction.

It was very busy weekend here at the Serbian Centre, Soccer matches on Saturday and Sunday, plus the licensed club held the Traditional Folkloric Festival on Saturday and Sunday. It went for two days and two nights, about 4,000 people attended this ceremony. Our canteen at the Soccer Ground has done very well serving food and drinks for everybody. Our Chairman Mr. Oule Ruzic and his staff who worked very hard in the Canteen must have been very tired people on Monday morning.

YOUNG EAGLES READY TO FLY WITH THE "BIG BOYS"

PARRAMATTA Eagles will be putting a "Colts" under 18 team into the National Youth League, in addition to the under 18 "Reserve" team.

Both under 18 teams have a charter to develop players with the "Colts" focusing on longer term development and younger players.

This is an extension of the Parramatta Youth League, which embarked on a youth development programme two years ago. This successful exercise has seen a large number of Youth League players going through to reserves and the first team.

The objective with the "Colts" is to provide another stepping stone for Youth League players through to first grade.

The "Colts" will be coached by former Socceroo Tony Henderson who has had senior coaching experience with Blacktown City and Avala (now Bonnyrigg White Eagles).

Between the two teams there will be around 30 playing positions available.

Players eligible have birth dates after 1st August, 1975.

Parramatta have commenced trialling for these two sides, and expect trials to run through September.

Trials will be conducted at Everly Park, South Granville, each Tuesday evening at 6:30 pm, and will include Thursdays later on.

Any interested players should attend the Tuesday night trials or call David Suggett during work hours on (02) 891 3208.

Adamstown ROSEBUD

PROUDLY SPONSORED BY CARLTON UNITED

with Paul Colver

Well the last home game is upon us and it seems like we have just started. This week we play Canterbury who are currently running fourth with Adamstown needing only one point to make the five and Canterbury trying to make the three it makes for what should be a very good game of football. This Saturday should prove a feast for a lot of people. First of course, is the high quality of soccer we will see from Adamstown; in all three grades; next thing to mention is the Carlton 'Cold' Promotion which is on in the Club after the game. A perfect time for our major sponsor to put on a promotion in the Adamstown Rosebud Licensed Club. The last thing to mention about this Saturday is of course our match day sponsor; MARS CONFECTIONERY OF AUSTRALIA. Be at the game and receive your free fun size Mars or Snickers. Hundreds and hundreds of product to give-away.

We thank Mars for their participation this weekend and hope that Mars can become involved with us more often. Don't forget; A Mars A Day Helps You Work, Rest and Play. Thanks Mars!

A working bee is to be held at the ground this Sunday morning. All Welcome! Unfortunately I will be on my way to Tamworth for work. The more there, the easier the work.

PREMIERSHIP AT POPONDETTA?

Division 1 Preview
with Paul Goodwin

This Saturday should see Mount Druitt claim the Premiership at Popondetta Park when they take on Granville CSC.

The champagne will be on ice as Granville are still seeking their first win and will make Mount Druitt work hard for it.

The locals have been unconvincing at home recently, but will have a big one for time, we feel sure.

Wayne Farnsworth will be back from suspension and apart from Eddie Clune and Craig Smith Town ought to be at full strength.

The hope to have both players available for the Finals series, but it is the title they want right now.

Of course if Auburn were to have lost their midweek match a draw would be enough, but feel sure that the players will want to complete their home programme with a convincing win.

At last time the sides met it was 10-0, but the coach will be happy with 1-0 this time, he says knowing the tension and the improvement in the Granville side over the past eleven weeks.

The other important game is at Mona Park where Auburn plays Central Coast. Auburn are firing again and Coast needs a win to stay in the top five.

It points to a close one and we expect Auburn to win narrowly. Coast are better away from home, though, so it will be tough.

Macarthur Rams will look for a three pointer against West Wanderers and must not take West too lightly. West have had another solid season and have wins at both Belmore and Central Coast already this year. They will look to pull off a big win at Lynwood park and if they put their mind to it can do so.

They will miss Warren Hayward who has finished his brief loan period with the club, but have adequate cover.

Nevertheless it is hard to see The Rams giving in easily and a home win is the likely outcome, but by a single goal margin.

Mount Pritchard will look to cement a top spot when they visit Ernie Smith Reserve for the umpteenth time this year. Their Waratah Cup excursions there have been fruitful and they expect to win this one too.

Much will depend on how they came through the midweek cup game and if they have their mind on the job, they should win well.

Liverpool will be losing goalie Steve Tolios who returns to Sydney Olympic after a good loan spell.

Gladesville Hornsby may be able to finish on a high note against a dispirted Belmore Hercules at Christie Park.

Belmore have seen their hopes dashed by some bad reversals at home lately and though they are unbeaten on their travels may not have the incentive now to keep up their fine work.

Gladesville are very keen to go out with a win, but are unable to improve their position on the ladder and need only to stay ahead of Hakoah to hang onto ninth spot.

Given Gladesville's close result at Blick Oval we might see Belmore beaten here, but it is not any easy one to pick.

Hakoah meets the out of form Dulwich Hill at Sydney Athletic Field hoping for a win at long last.

Dulwich Hill are likely to be back to full strength and should win to move past Hakoah and into tenth spot.

The top five will probably not be settled until next week now, but all eyes will be on Popondetta Park this weekend to hail the premiers and the silverware should be shone in readiness.

Remaining games for the leading division after this week are as follows:

Mount Druitt v Dulwich Hill at Popondetta Park; West Wanderers v Auburn at The Gabbie; Belmore v Granville at Blick Oval; Mount Pritchard v Macarthur at Cook Park; Central Coast v Gladesville Hornsby at Pluim Park.

Things look better for Belmore than Macarthur, giving the relative strength of their opponents, so they should be secure.

Central Coast will be happy to have a home game to finish with the squeeze into the play-offs.

The tussle for leading scorer should be settled this weekend. Ozcan Celik has been able to play more regularly than Wayne Farnsworth and Mark Moffett. Farnsworth bagged four against Granville last time, but unless he can get at least that many again on Saturday the top scorers trophy should belong to the your Auburn player.

Mark Moffett will want to do well against his former club, West Wanderers, but is unlikely to bridge the gap, even with the midweek game against Auburn to help him in his quest.

After all, Celik will be there too and could well add to his own impressive tally of 21 goals from 19 games.

SUPER SOCCER STARS

a mix of ancient wisdom and soccer nonsense by Steven Harrison

LEO (July 24 - August 23)
Plead guilty. You can't deny high kicking when a scalp is hanging off your boot.

VIRGO (August 24 - September 23)
What a game! There is nothing to stop you scoring a world class goal in a fifth division match.

LIBRA (September 24 - October 23)
Maintain your balance. If you are flying down the wing, be prepared for a bumpy landing.

SCORPIO (October 24 - November 22)
The excitement generated at your next match will cause several spectators to wake up.

SAGITTARIUS (November 23 - December 22)
Your defence should be spirited by civilised. When tackling authority do not show your studs.

CAPRICORN (December 23 - January 20)
Explore the possibilities. Having an open mind is better than leaving an open goal.

AQUARIUS (January 21 - February 19)
Don't jump to conclusions. The offside law was brought in so that linesmen could keep their arms warm.

PISCES (February 20 - March 20)
Pick yourself up. A penalty is always harsh to the offending team.

ARIES (March 21 - April 20)
Find the balance. The best team has a mean defence, a generous attack and a psychotic midfield.

TAURUS (April 21 - May 20)
Give yourself room. A sandwich tackle is not very filling.

GEMINI (May 21 - June 21)
Study anatomy. An elbow is for bending the arm, not stretching out an opponent.

CANCER (June 22 - July 23)
Bounce back. There is nothing like the threat of a magic sponge on a cold day to get you on your feet.

MARCONI TAKE OUT THREE

YOUTH LEAGUE
with
Ian Marriott

Marconi have won three out of the four minor premierships up for grabs with the fourth going to sister club Southern Districts.

Illawarra managed to overtake Blacktown City to reach second position of the Under 13 Youth League Competition in the most dramatic way possible by defeating them in the final game of the year 4-1 the exact result required to allow them to jump ahead by way of the higher number of goals for rule which is used whenever two teams have both equal points and gaol difference as in this case.

Marconi scored a draw to ensure them of fourth position while Southern Districts finished first.

Parramatta Eagles and Marconi were only separated in the 14's by the two games they played against each other with Marconi completing the premiership rounds undefeated which is a rare feat indeed.

It will be a most interesting match should these two sides meet as expected in the Grand Final.

Blacktown City fell at the final hurdle in the Under 15's when they were beaten by Illawarra. A win would have seen them inside the four ahead of Parramatta as the Eagles also surprisingly were knocked off by Granville once again emphasising the closeness of this competition after the top tow.

Marconi finished first with Gladesville second, Sydney CSC third and Parramatta fourth.

Nepean Association scored their first win of the season in the final match of the year when they defeated Southern Districts who fell away badly at the end after being amongst the top runners for most of the season.

Nepean also scored a win in the Under 17's which ensured Southern had no chance of making the semis although Saints had also made certain of the fact as they scored a draw with Marconi.

The draw was enough to see Marconi into top spot while Parramatta beat Granville to grab second from Sydney CSC who also finished third with a good last up performance.

Marconi raced away with the Club Championship with St George coming in second and Leichhardt Tigers and Nepean relegated to Second Division in 1994.

Next week Super Soccer will include a complete list of all semis and finals including who plays whom, where and when.

SUTHERLAND AND MACARTHUR ABOUT TO REJOIN DIVISION 1

Sutherland and Macarthur confirmed their entrance back into the first division of the Youth League last weekend although Manly put a considerable amount of pressure on Macarthur during the final rounds and nearly pipped them at the post.

Sutherland finished as minor premiers in the Under 13's beating Bonnyrigg 3-0 while Ku-ring-gai secured second spot from Macquarie City third and Macarthur fourth.

Southern and Eastern were surprisingly defeated in the under 14's by Blacktown on Saturday however they held on for top spot thanks to another surprise loss this time by Canterbury Marrickville who were beaten by Bankstown.

The Under 14's have a number of possible chances due to a rescheduled match which needs to be played this week between Adamstown and Canterbury Marrickville.

Should Marrickville win this game then they would go back into second position pushing Rockdale down to third however a draw would see them remain in third as Rockdale would gain from average points.

Should Adamstown win then they would have a chance to go ahead of Manly depending on the results of a second catch up match against Southern Branch which would need to be played.

Adamstown will not be playing their final matches in the Under 15's as even two wins would still see them short of Manly Warringah who have a healthy average points score.

Sutherland confirmed third position with a 2-0 win over Bonnyrigg while Macarthur just snuck in with a 0-0 draw against Rockdale.

A 1-1 draw between Macquarie City and Manly along with a 1-0 win to Sutherland over Bonnyrigg was enough to give Sutherland the minor premiership one point clear of Macquarie City with Macarthur leap frogging over Bonnyrigg into third and the White Eagles hanging on for fourth spot.

Next week Super Soccer will feature a complete list of all semi finals matches including who plays whom, where and when.

SUTHERLAND UNDER 12 MINOR PREMIERS

Following a slight hiccup against St George two weeks ago, Sutherland have finally made certain of the Under 12 Junior League Minor Premiership by defeating Southern Branch last weekend.

Granville ran out minor premiers in the Northern Conference while the 11's saw Macarthur and Gladesville finishing first.

Granville beat Manly to overtake them and leap into fourth spot in the Northern 11's while Nepean were unable to hold off Gladesville to ensure top spot although they remain safely in second with Central Coast third.

Ku-ring-gai 12's managed to defeat Central Coast and in doing so not only avoided fourth but in fact finished second thanks to Granville defeating previously second position Manly who now drop down to third with Central Coast finishing fourth.

As expected there were no changes in the Under 12 Southern Conference however in the Under 11's Bankstown moved into the semis with a 2-0 win over Illawarra in what was an early grand final for both sides.

Southern Districts were overtaken by Sutherland who finished second relegating districts to third.

Next week Super Soccer will print the complete list of semis including who plays whom, where and when.
